

# December 2007

## **Linda's Little Laboratory Childcare Newsletter**

Dear Parents,

I am not sure what happened or how it happened, but; December is already here. I have a few little tidbits of information and then some news.

First I will start with our Christmas Party which is on December 21<sup>st</sup> at 3:00pm which means technically I am closed and one parent must be in attendance or the child must be on its way home. This is a fun little get together with some good food, and a little visit by Santa Claus. The Party starts at 3:00pm and people are free to leave anytime after Santa has left the building. Some years it goes past 6:00pm and sometimes not.

Christmas Vacation for me begins on Monday Dec. 24<sup>th</sup> and goes till Jan. 2, 2008. I am open and ready for my little ones to return on Jan. 3<sup>rd</sup>, 2008. I hope that many of you will take this opportunity to take a winter vacation as well. Please give me your 2 week notice if you plan on taking your vacation as well.

We will be unable to do as many things outside with winter weather approaching. If you can buy your children a pair of rain boots that fit over their shoes then we will be able to continue our outdoor fun. Then their feet stay dry and they can have some big fun. We paint outside in the winter and do all sorts of bug hunts for snails and frogs.

Please let me know what goodie you will be bringing for our party. Dennis and I will make a big batch of chili and order a couple of pizzas, so anything like a desert or cookies or a salad like dish would be great; just plan on having fun.

Thank you for allowing me to watch your children I have the best job on earth!!!!!!!!!!!!
